## **Bavaria 43 Cruiser arrives in Niagara!**

We're excited about the upcoming arrival of the Bavaria 43 Cruiser. We think you'll be as excited as we are, when you see the first example in Ontario of the new generation of Bavaria yachts. The new concept Bavarias have been developed based on customer and dealer surveys and extensive research. As part of the process, Bavaria is redeveloping its factory and is currently undergoing a major expansion which will make the Bavaria facility the largest yacht factory in the world. The boats themselves will see increased choices in options, bundles and layouts; particularly in the larger models. Internationally acclaimed and award winning designer, Christine Gebert has revamped the interiors for a more modern look, which includes new Finline Wood interiors with options in stain and colour to be offered in the near future. Finline is 100% real wood with a more uniform grain. Overall, Bavaria continues to focus on offering value for money and is committed to offering improved quality to their valued customers.

### **What will you see in the new 43?**

- Convertible aft cabin (change from a split 2 cabin to a large single cabin or a 2/3 : 1/3 split)
- New euro modern faucets and shower heads

- Removable stools for extra seating or to clear space

## SSY UPDATE

South Shore Yachts welcomes Michele Wormald to the South Shore team. We are thrilled to have Michele on board as our general office administrator. (We need someone to keep us organized!) She brings a wealth of experience in customer service, retail, personnel, reception and shipping. In addition; she is enthusiastic, friendly and learns readily. We're sure you'll enjoy chatting with her. While Michele is new to sailing, she is an avid boater and loves being on the water. She is "totally enjoying" her foray into the sailing world. Michele has a sports background and when she's not at South Shore she's busy with her kids; who all enjoy outdoor activities, including hiking on the numerous trails found in the Niagara Region. Stop by to meet her and say hello the next time you're in the area. The Niagara office is open Monday to Friday from 9:00 -5:00 and Saturday mornings seasonally and by appointment.

Hélène Taylor is enjoying her first summer off in her new position as a school secretary and (when she's not in the South Shore Yachts office) can be found sailing Symphony, a C&C 35 on many an afternoon!

South Shore Yachts congratulates Michael Manocha on his acceptance into the MBA program at MacMaster University. Michael will

begin his studies in August. Michael has been a great addition to the South Shore Staff and though we will miss his cheerful demeanour and positive attitude, we are delighted Michael is following his dreams. We wish him all the best as he embarks on this new challenge.

Congratulations to South Shore Yachts' staff Cody Montgomery and Rob MacLachlan for their wins at the Youngstown Level Regatta on Moccasin and Kissing Bridge.

## LOCATION UPDATE

South Shore Yachts is pleased to announce that they are consolidating their business into one central location. We will operate solely out of our Niagara-on-the-Lake main office. Bavaria Yacht Sales will be a key focus of our Niagara-on-the-Lake office. It is our hope that we will serve our customers more effectively by delivering service from one centre. The Port Credit office will close at the end of August. Until then, the Port Credit office will be open Tuesday, Thursday and Friday from 10:00 - 5:00pm or by appointment. Holidays (which include participating in the West Coast C&C Owner's Regatta) are from August 7- 19. Please call ahead to ensure someone is there to serve you. We are busy showing boats! Come and check out our Niagara office and see the new Bavaria 43 which will be on display after the Ontario Place In-Water Boat Show. Open House news coming shortly...
